**2026 Sponsorship Opportunities: The Cultural Landscape Foundation  
Landslide® 2026: Erasing American History**

Each year TCLF creates a thematic *Landslide*® report and digital exhibition about threatened and at-risk cultural landscapes, with the goal of making each site more visible, revealing its value, and promoting public engagement in the form of advocacy and stewardship. The call for nominations for *Landslide*® 2026: *Erasing American History* is now open and the report will be released in Fall.

As we commemorate one of the greatest moments in our nation’s history—the 250th anniversary of the signing of the Declaration of Independence—we are also witnessing the erasure of cultural resources that reflect and interpret facets of our shared history. Consequently, TCLF is dedicating its annual thematic Landslide report and exhibition to the subject of “Erasing American History.”
