### 2022 Sponsorship Opportunities: The Cultural Landscape Foundation Pioneers of American Landscape Design® Oral History Projects

Pioneers oral histories are an ever-growing, award-winning series of videotaped first-person interviews with significant practitioners. Now featuring seventeen oral histories, the series examines each designer's personal and professional history, their overall design philosophy, and how that approach was carried out in their most emblematic projects. The richly edited video segments include never-before-seen archival footage, new photography, and on location videography.

This year's oral histories include:

- Julie Bargmann, recipient of the inaugural Cornelia Hahn Oberlander International Landscape Architecture Prize

Commensurate with sponsorship level, benefits include recognition on project's web page, recognition on project launch e-blasts and press release, and more.
